MRADICE@ILSTU.EDU

630-460-7441

OBJECTIVE

Gain more skills that can help me in the future. Earn and save money to help pay for college and living expenses.

SKILLS

Hardworking, creative problem-solving abilities, fast learner, computer skills, communication skills

EXPERIENCE

Integrated Merchandising Solutions/ Creative Services Graphic Designer

May 30- August 11, 2022

Complete a wide variety of task including advertisements, GIF's, coupons, copywrite, mockup products, and weekly updates. I utilized self-management as well as teamwork to accomplish tasks.

GENERAL WAREHOUSE / WEATHER TECH

September 2020- May 2021

Maintain an organized warehouse, mold car mats using router, manage a line with up to 7 people, reputedly lift up to 40lbs throughout an 8-hour workday.

GENERAL MAINTENANCE/ TRASHED AND REFUSED

June 2021- currently

Renovating and cleaning houses to be sold. Using self-management along with teamwork I efficiently cleaned and relocated furniture and other appliances. Also did demolition and truck driving.

EDUCATION

CURRENTLY ENROLLED

Illinois State University

I am a Creative Technology: Interdisciplinary Technologies major and a sophomore at ISU. The creative technologies program includes web design, graphic design, game design, visual arts, videography and others.

My focus is mainly on graphic and web design along with visual arts although I still practice other skills regularly. I graduated from Lyons Township Highschool in 2019.
